LEADERSHIP COACH and SPEAKER

Gerald de Woot is a sought-after expert in European leadership practices. Based in Belgium, Gerald has spent over 15 years helping leaders across Europe and Africa build high-performing teams that thrive in today's competitive landscape.

Does This Sound Like You?

- No matter what we offer, we can't seem to attract the right people.
- Our competitors keep poaching our top talent.
- I'm exhausted trying to motivate a disengaged team.
- Turnover is eating into our budget and crushing morale.
- I feel stuck - unsure how to fix these issues.

The solution isn't just more job postings or bigger paychecks - it's a smarter approach to leadership, culture, and motivation.

His Field

Gerald specializes in Humanist and Servant Leadership, based the CLEAR model. In his coaching, he focuses on Communication, Leadership, Education, Attitudes, Relationships and Teamwork. Transforming your leadership will make your company a magnet to attract, retain and motivate high-performing talents and grow your business!

The Result?

A workplace where employees thrive
- feel valued and supported.

Loyal, high-performing teams
- people stay when motivated and engaged.

Growth without burnout
- it's built on good leadership practices.
